**Börse Frankfurt Zertifikate AG:**  
**Introduction of long-term covers and amendment of General Terms and Conditions of Börse Frankfurt Zertifikate AG, effective 1 September 2017**

17 July 2017

Dear Sir or Madam,

With approval of the Management Board of Frankfurt Stock Exchange, the Management Board of Börse Frankfurt Zertifikate AG decided to amend the General Terms and Conditions of Börse Frankfurt Zertifikate AG for the Trading with Structured Products in the Regulated Unofficial Market on the Frankfurter Wertpapierbörse (FWB) ("General Terms and Conditions Börse Frankfurt Zertifikate") with effect from 1 September 2017. The changes are marked in the attachment.

The changes will become necessary due to the future acceptance of the so-called long-term covers. These will enable issuers to deliver still incomplete data when including the instruments. The precise underlying as well as the adjusted fields have to be handed in only when finalising the cover. In contrast to the already known short-term covers, long-term covers will expire only after six months. In this case, an application for withdrawal of the inclusion has to be made.

Unless Trading Members file a rejection of the amendments to the General Terms and Conditions Börse Frankfurt Zertifikate with Börse Frankfurt Zertifikate AG, 60485 Frankfurt, Germany, e-mail address: [zertifikate@deutsche-boerse.com](mailto:zertifikate@deutsche-boerse.com), in writing or in electronic form within three weeks prior to the amendments' coming into effect, they will be deemed to be approved.

to be paid pursuant to Clause 1 shall again be payable until a total amount of EURO 100,000 for all inclusions in the calendar year has been paid. Beyond such amount, no further fees pursuant to Paragraph 1 shall be charged.

2. If, with regard to more than half of all inclusion applications submitted per calendar year, inclusion is initiated as a result of inclusion applications submitted via the electronic application tool "E-Listing Structured Products", the fee pursuant to Clause 1 may, for up to 5,000 inclusions per calendar year, not exceed EUR 70,000 per issuer and calendar year. With regard to Structured Products in excess of such number within a calendar year, the fee pursuant to Clause 1 will be levied up to a total sum of EUR 95,000 for all inclusions per calendar year. Beyond such amount, no further fees pursuant to Clause 1 shall be charged.
  3. With regard to each inclusion based on an inclusion application submitted by ways other than the electronic application tool "E-Listing Structured Products", the fee pursuant to Clause 1 increases by EUR 0.50, however, without such increase being offset against the maximum upper fee limit pursuant to Number 1 and 2.
- (2) The participant who has submitted an inclusion application of a Structured Product according to § 10 in a currency other than EURO (foreign currency), shall pay a yearly fee of EURO 500 (listing fee) for each included Structured Product, provided the trading and settlement currency corresponds to the preferred foreign currency.
