Eurex Repo F7 Release 3.4 – Preliminary Release Notes

Contact: Eurex Repo Sales

Importance: High Priority

Summary:

To further enhance its trading infrastructure, Eurex Repo is planning to launch F7 release 3.4 on **30 November 2020**.

Eurex Repo will provide a dedicated simulation environment, in order to give participants the opportunity to perform comprehensive testing of their trading applications, independent from Eurex Repo's production environment.

The simulation period for release 3.4 is currently planned to commence on **12 October 2020**. Please note that the current production software is always available for testing in the advanced simulation environment.

Release 3.4 includes GUI enhancements as well as a **mandatory** F7 API upgrade. API users will be provided a new set of updated XSDs for release 3.4 in the Eurex Repo member section prior to the simulation period, together with an updated F7 API manual describing all changes in detail.

Best regards,

Your Eurex Repo Team
