Application for Admission as Betreuer pursuant to section 23, paragraph 2 of the Exchange Rules of the Frankfurt Stock Exchange

I. We herewith apply for admission as Betreuer pursuant to section 23, paragraph 2 of the Exchange Rules of the Frankfurt Stock Exchange for all securities mentioned in number V.

II. The functions associated with such admission will be carried out by traders (minimum 2), who are already admitted for trading in Xetra at the Frankfurt Stock Exchange.

III. Admission as Betreuer for initial public offerings in the Neuer Markt:

This application will also be used for equities listed on the Neuer Markt. We, therefore, assure that our admission as Betreuer pursuant to the Conditions for Trading on the Neuer Markt for the following shares of the

_____ will last from the date of admission for at least 12 months.

Note: This only applies to initial public offerings in the Neuer Markt. The admission regulations for trading activities in Neuer Markt require a minimum of two Betreuers for any initial public offering. During initial public offering admitted Betreuers must confirm to keep the function as Betreuer for the specified equity for at least one year.

IV. We hereby assure that we have participated (will participate) actively in the Xetra-Simulation.
